Re: Open Records Request No. 2019-003

Dear Ms. Farkus:

The Office of Governor J. Kevin Stitt has received your request dated January 23, 2019, regarding an Open Records Request. Your request has been logged and assigned the above Request Number. Below are the terms that will be used to conduct the search of records and emails:

2019-003: Any files on or related to the Oklahoma Education Association Strike that lasted from April 2-12, 2018.

Time frame: unknown.

Please provide a time frame in which you believe the documents requested were received or created by the Governor's office. The search terms are broad and we need to narrow our search in order to locate relevant documents while limiting unresponsive data. Regarding non-electronic documents produced during the previous administration, if you desire production of non-electronic documents, it may be more appropriate for such a request to go through the Department of Libraries for archive materials, since those documents do not exist in an electronic format, and we are not in actual possession of those files. Please advise.

If you feel there is an error, that we have not accurately interpreted your request, or if you no longer require the requested material, please contact our office immediately at (405) 522-8836.

Sincerely,

A handwritten signature in cursive script that reads "Alina Sorrell".
